Dear Mr F. Mercer-woodse

Re: Mr [REDACTED] China 1 [REDACTED]

Your client's application has been granted. Please ensure that the enclosed letters are passed to your client(s) immediately. If your client has been granted Leave to Remain as a Tier 2 General, Sports person or Minister of Religion Migrant following an application made on or after 6th April 2015, their National Insurance number appear in the remarks on the reverse of their biometric residence permit (BRP). If their National Insurance number appears on their BRP there is no need for your client or their employer to make a separate application to the Department for Work and Pensions to obtain one.

Yours sincerely,

Ryan D'Arcy

**BRP Unique Number:**

You may already have received a letter from the Home Office advising you that a decision on your application has been made and any supporting documents returned to you. Please find attached your Biometric Residence Permit (BRP). It is an important document and you should look after it carefully. It is proof of your right to stay, work or study in the United Kingdom and may be used as a form of identification (for example, when setting up a bank account). You must comply with time limit and any other restrictions placed on your stay in the UK; these are set out on the BRP or in your decision letter.

The BRP has a unique number in the top right hand corner, which is also shown at the top of this letter. You should keep this letter safe and in a separate place to your BRP as you will need the unique number to apply for a replacement if your BRP is lost, stolen or damaged. You should also take a photocopy of the front and back of the BRP for your own records and remove any residual of the glue used to affix the BRP to this letter from the back of the BRP. You must not laminate your BRP as this will damage the card and you will be responsible for paying for your replacement if you do so.

You must check the BRP carefully to make sure that all the details on it are correct, as you are required by law to have a BRP that accurately records your personal details and the type of permission you have to be in the United Kingdom.

If the mistake includes length or conditions of stay and your application was made from within the United

Kingdom please go to [www.gov.uk/ask-for-a-visa-administrative-review-if-youre-in-the-uk](http://www.gov.uk/ask-for-a-visa-administrative-review-if-youre-in-the-uk).

For all other mistakes please use the service at [www.gov.uk/brp](http://www.gov.uk/brp) within 10 working days of receiving your BRP. Alternatively you can send your details including the BRP unique number, your full name, date of birth and contact details along with an explanation of what you think is wrong with the BRP by post to:

**Freepost RRYX-CLYU-CXHZ**  
**Returns Unit**  
**PO Box 16**

We are introducing an aligned BRP and National Insurance Number (NINo) process, on a phased basis, for migrants aged 16 or over. This currently applies to migrants who have been granted leave to enter in any Tier 2 category or as a refugee. In such cases, your NINo will appear in the remarks on the reverse of your BRP and there is no need for you or your employer to make a separate application to the Department for Work and Pensions to obtain one. Further information about your National Insurance Number can be found at [www.gov.uk/national-insurance](http://www.gov.uk/national-insurance)

If you have received a BRP that does not belong to you please return this letter and the BRP to the Freepost address above, with a short explanation.

For further information about the BRP, please go to [www.gov.uk/brp](http://www.gov.uk/brp)
